ITALY – TUSCANY – PISTOIA - MONSUMMANO TERME

The house is situated in Monsummano Terme, near Montecatini Terme just on the outskirts of Pistoria. The apartment has two levels covering 80 sqm of space with its super panoramic Tuscan hill views near to the centre of the town. The building was an ancient convent and its particular positioning has real beauty. The house has been totally renovated completely inside and is of antique Tuscan style outside. The owner is reluctant to sell, however this would be a sound investment and an easy property to rent if needed because of its beauty and positioning. With in walking distance you have local shops, supermarket, bus, train station and the nearest airport is Pisa. If this is within your budget do not miss this one?
